BREVARD GRACE HOUSE

Structured recovery housing for adult women in Brevard County, Florida

Status

Opening January 15, 2027. Brevard Grace House is going through the FARR Level 2 certification review process and will be a FARR Level 2 certified recovery residence once certification is complete. Contact admissions to confirm current status.

Who we serve

Adult women seeking a substance-free, accountable shared home. The residence is women-only; children cannot currently live with residents. Brevard Grace House is a recovery residence, not detox or clinical treatment, and does not replace licensed medical or mental health care.

Program structure

- A house manager lives on site, with peer accountability
- Weekly house meetings and mindset-focused group coaching
- Screening and shared household responsibilities
- At least 32 hours per week of work, education, volunteering, or approved productive activity
- Residents taking prescribed MAT are welcome under house medication protocols; self-administration requirements are reviewed during intake

Costs

$195 per week, all-inclusive, plus a one-time $100 move-in fee. The home stocks everyday supplies (toilet paper, paper towels, cleaning supplies, laundry detergent, and dishwashing soap), and every new resident receives an arrival care package with body wash, a toothbrush, toothpaste, deodorant, and snacks.

Making a referral

Call or text admissions to discuss resident fit, availability, and a transition date. Do not send protected health information by text; contact intake first to confirm a secure method for sharing documents.
